

2-DAY ONSITE TRAUMA SUPPORT TRAINING

This workshop will help participants gain a comprehensive understanding of trauma and its impact on the mind, body, spirit, development, brain structure, behaviour, and overall health. Additionally, it will focus on how to use effective communication skills to witness and guide a client in safely releasing traumatic stress and emotions from their bodies.

This essential training is designed for community workers and caregivers across health, education, justice, and social services who work with trauma victims and survivors.

TRAINING INFORMATION

Registration Fee: \$479.00

Time: 9:00am - 3:30pm

Lunch, a training manual, and a certificate of completion will be provided.
